

The Story

With its impressive stance, this majestic library hutch is a statement piece for any dining or living area. It's an absolute storage saviour, mixing drawer and shelf space with appealing hand-woven baskets and glazed countertop cabinets. The period-charm cornice and airbrushed paint finish detailing are the perfect backdrop to display your beloved possessions.

Style Tip

Do things differently and place it in a spacious kitchen as a dresser. Store glassware in the cupboards, display cookbooks and pantry cupboard essentials in mason jars on the shelves, and place table linen and aprons in the baskets with dinner party crockery in the drawers.
