

## The Story

The low profile of this Large entertainment center offers the perfect platform for showcasing all your media components. Television viewing is at the perfect height and shelving provide ample allowance for additional electronic devices. Cord cutouts are in place for ease of connectivity. Drawers can house smaller accessories and instruction manuals.

The solid wood construction with detailed molding, is highlighted with a semigloss painted finish. Flared crown molding and detailed trim add simple elegance to the piece.

Handcrafted with kiln dried mahogany frame. Antique brass hardware completes the look.
