

The Story

From bedrooms to living rooms, a bookcase is a familiar piece that brings instant character and structure to a space. This solid mahogany piece can take an impressive amount of weight but don't feel obliged to fill it to the brim, a few books to the left and a few to the right will give the tongue and groove back panel a chance to shine.

Style Tip

rework your look by colour ordering your books.
Follow the standard spectrum or create your own palette such as pastels.
